Terms and Conditions

Shipping: Any software components are provided by email or by means of an FTP account.
Licenses: The license fee for EASE Address covers the use of the EASE SpeakerLab software and of the authorization file by the licensing company. Use of the software is ongoing with no fixed termination or renewal date. There is no annual or bi-annual renewal fee. The initial license fee covers up to 6 months of free email, telephone or fax software support. **Limitations:** 1. EASE Address licenses are subject to all the normal laws and restrictions governing the use and sale of software. Details are provided with the software or are available in advance on request. 2. EASE Address is a software utilizing data files with loudspeaker data for different loudspeakers as provided by the manufacturer. AFMG accepts no responsibility for the accuracy of the data submitted. **Computer Requirements:** EASE Address runs under Windows 98, Windows 2000, Windows XP and Windows Vista operating systems on PC's with a VGA graphics system. Minimum requirements are a machine with 128MB of RAM, 300MHz clock speed and at least 2 gigabyte of hard disk space. Faster systems are recommended. **Terms Of Sale:** All orders are subject to our review and approval. Terms of sale are wire payments unless other terms are approved by AFMG. All sales are final. **Prices:** Prices effective December 1, 2008, prices are subject to change without notice.
